FINES AND PENALTIES

Commercial customers are billed monthly and payment is due 21 days following the billing date indicated on the bill. Failure to make payment by the due date will cause the account to be delinquent and a penalty of \$10 or 10% of the outstanding balance, whichever is greater, will be assessed. To avoid delinquent charges, please call the billing office (650) 616-7086 to inquire about automatic payment options.

All delinquent accounts are subject to service termination. If an account is terminated, a \$90.00 reconnect fee will be assessed to the customer's account. To reestablish service, the entire past due balance, late penalties, and the \$90.00 reconnect fee must be paid in full.

Any attempts to re-establish water service, as evidenced by water service or damage to the meter, by any person other than an authorized City employee is subject to a \$500 fine for illegal connection.

Customer accounts with checks returned for non-sufficient funds (NSF) will be assessed a \$25.00 fee per occurrence in addition to any delinquent and/or termination penalties that may be necessary as a consequence of the NSF.
